Get total control of your TV's position for a great view of the action. Move your screen around or place it in a corner or media wall. Rotates left and right (-/+90°) and tilts up and down (-5/+15°) to get the perfect viewing angle and reduced glare. The TV can extend out for easy access to cables, then pushes back neatly against the wall. Once installed, the position and angles can be changed without tools. Features a wall plate cover to hide the screws, clips for tidy cable management, a built-in spirit level and three shaped metal arms for strength. Easy hook-on installation: lift the TV onto the wall mount and secure with the pull-cord locks. NEO cushioned pads protect the TV from scratches and provide insulation for improved audio. Compatible with VESA sizes 200x100 - 400x400mm.
